**Want to start a School Newspaper?** Exciting opportunity to learn about careers in the media from DYW Inverness and Central Highland and the NUJ (National Union of Journalists). Workshops available to learn the basic skills of news reporting - learn how to gather and tell stories and how to package your product to appeal to your readership. NB A school newspaper does not just have to report on what is happening around the school - the world is your oyster (although travel journalism is maybe a bit ambitious to start). If you would like to take part, please see Miss Robson in B4 by lunchtime **today** (Wednesday) to register interest.
