

S2 into S3 Option Choice 2021
Guidance Google Meets Start from Monday 8th of February until Fri 19th Feb

Dear Parent /Carer

At this time of year, we start to plan for our new Timetable which starts in June.

Faculties have now confirmed Courses that will be on offer across the school.

SMT and Guidance staff have been planning how Pupils will be supported through the Course Choice process.

S2 Pupils have now received their report and should be aware of their progress in each subject.

Guidance Staff will arrange an individual Google meet with your child to discuss their S3 Option choice.

Please ask your child to **monitor their Google mail for this invitation.**

Pupils need to prepare in advance of this meeting by:

- Reading through the BGE Course Choice Booklet (posted Below)
- Looking at the Staff recommendations on their S2 report
- Discussing the S3 Choice form (posted below) with a Parent/Carer
- Looking at S3 Course Choice information posted on Google classrooms.

Please encourage your child to think about their strengths and interests as they choose courses which will support their vocational pathway.

A link is provided to a PowerPoint which will support you with your child's Course Choice.

If you have questions, please email.
